Dear Community Member,

My name is Jonathan Furest and I am President of NextGen Macomb. We are the premier young professionals group serving Macomb County, MI. Our mission is to foster growth, collaboration, and community impact by providing a platform that empowers the next generation of leaders and innovators. With a strong focus on connecting like-minded individuals, we organize a variety of events, including engaging mixers, thought-provoking seminars, and impactful networking opportunities.

This year, we are excited to host our 2nd annual "40 Under 40 Awards", a celebration of 40 exceptional individuals who are making a profound difference in our community. These are leaders who embody the spirit of innovation, service, and growth that we aim to nurture. This event not only shines a spotlight on their outstanding achievements but also motivates others to step forward and contribute to the betterment of Macomb County.

To make this event truly extraordinary, we are reaching out to our incredible community for support. By sponsoring the "40 Under 40" awards, you can advertise your business at the event and directly invest in the bright future of Macomb's most talented and driven individuals. Your sponsorship will not only ensure the success of this event but will also strengthen our collective ability to provide further development opportunities for our young professionals.

Together, we can build a stronger, more vibrant Macomb County while showcasing the outstanding individuals who are shaping tomorrow. Enclosed you'll find more information related to nomination criteria and sponsorship packages.

Thank you for your consideration and for always supporting the next generation of leaders in our community. We look forward to partnering with you to make this event a resounding success.

Sincerely,

Jonathan Furest

President
